About Gauhati University and GUIST

Gauhati University is the oldest and one of the most renowned universities in North East India. It was established in 1948. It is a teaching-&-affiliating university. It is accredited grade "A" by National Assessment and Accreditation Council during 2018. It has been placed within 50 for the last four years in MHRD-NIRF ranking. Gauhati University Institute of Science and Technology (GUIST) is an intergral key part of the University. It was set up at the university campus in 2009 to enhance quality and innovation in technology education. The Programmes currently being offered by the Institute are the four-year Bachelor of Technology (B.Tech.) Programme and a two-year M.Tech. Programme, and Ph.D. programs in different disciplines.

About Utkranti

Utkranti is a 24 hour hackathon. It has been started with an aim to sustain a culture of learning by doing. Utkranti further stress on innovation and problem solving by inculcating a sense of competition among studies while taking part in hackathon and design.
